

Mother's Day Treasure Hunt

Print these clues. Add some of your own if you want to. Choose the order for the hunt and what you want to hide at each spot. Cut apart the clues and hide them (*shower, door bell, family photo, couch, rocking chair, mail box, washing machine*). Remember to keep the first one to give mom to start the hunt.

A place to go
most everyday,
to wash the dirt
and grime away.

A small button
at our house somewhere,
that lets us know
when visitors are there.

Each of us,
one and all.
Are found here,
up on the wall.

A comfy place
to sit and be,
Together
as a family.

A place to sit
and be with mom,
while she rocks
or sings a song.

A person comes by
with their tote,
this is where
they put our notes.

When clothes get dirty
and need to get clean,
it's great we have
a _____ machine.
