1- Christ loves families. He helps them.

Do something to help your family.

Ideas: give your mom a hug, clean your room, help make dinner, plan something fun for your family to do together.

2- Christ served others. You can too.

Do something helpful for a friend or a neighbor.

Ideas: write a note, pray for them, send a video of you singing a song.

3- Easter is about remembering what Jesus did for you.

Create something that reminds you of Jesus.

Ideas: draw a picture, build with Legos or play dough, make up a song.

4- Jesus knows you. You can get to know Him too. He can be your friend.

Do something to learn about Jesus. (Maybe share what you learned with someone else.)

Ideas: read the scriptures, sing a primary song (maybe #58B in the Children's Songbook).

5- Jesus loves you. He can help you feel happier when you feel sad.

Do something to be closer to Jesus and feel happier.

Ideas: sing "I will Walk with Jesus" (search for it online or on the Church website), or go outside and see the beautiful world Jesus created, or tell someone you're sorry.

6- Because of Jesus you can live again with Him and your family forever.

Learn about what Jesus did and will do for you.

Ideas: watch a video from the Easter Lesson in Come Follow Me, read Alma 7:11 or 3 Nephi 11:1-17. (Think about what is hard right now. Jesus knows about that and will help you through it.)
